Computer Security & Privacy: Guest presenter DJ Dates; Instructor in Computer and Information Science at Corning Community College will discuss Encryption and Script Blocking. This workshop will also help attendees gain insight on how to safely travel around their computer and the internet.
Program Date/Time: Tuesday, April 1, 2014; 1:00 pm-3:00 pm

iPad Workshop: This workshop offers new iPad owners an overview of how to use the iPad; and includes a discussion of useful suggested apps in categories that iPad owners might enjoy. The iPad app categories discussed include: News, Entertainment, Sports, Cooking, Games Weather and more!
Program Date/Time: Tuesday, April 1, 2014, 6:00 - 7:00 p.m.

Senior Personal Technology: iTunes & Portable Music: iTunes is Apple's popular music library service. With iTunes you can import your own CDs into the music library on your computer and then transfer those songs to a portable music device like an iPod or smartphone. Join us and we'll show you the basic iTunes & portable music ropes so you too can enjoy your music, audio books and podcasts on your portable music player wherever you go!

If you own your own laptop please bring it and we'll assist you in setting up iTunes on your laptop. And if you don't own a laptop you'll be able to use one of the library's laptops to learn more about iTunes and portable music. **Program Date/Time: Friday, April 18, 2014, 11:00 a.m. to noon.**

Teen Tech Friday: This month the tech staff will be showing you how to create visual stories and poems using the free online software Storybird. To register call (607)936-3713 ext. 503 or email mcconnells@stls.org **Program Date/Time: Friday, April 18, 2014, 3:30 - 5:00 p.m.**

Dream & Create with Pinterest : Join hostess Jenn for a program based upon recipes and DIY projects found on the fun social networking/personal interest website – Pinterest! Each program offers a delicious recipe which we then use to create the scrumptious dish of the day and a home decorating craft. This month we'll be making Tomato Basil Wontons and Wine Bottle Bird Feeders!
Program Date/Time: Thursday, April 24, 2014, 5:30 - 7:30 p.m.

Computer Basics @ The Southeast Steuben County Library: Learn the basics of using a computer; during this workshop we'll cover basic computer usage subjects including: how to turn the computer on and off, how to open, save, organize and search for documents and photos, how to use a mouse and how to get online. **Program Date/Time: Wednesday, April 30, 2014, 11:00 a.m. - noon.**

You can also make a free One-On-One appointment with a member of our Digital Literacy Services team!
We'll assist you in learning how to use a new computer, e-reader, tablet or other tech device you own (this includes learning how to use new software and create resumes)!
Just call the Reference & Technology Desk at 607-936-3713 extension 502 to make an appointment. It is free!
