

Monthly Science Fiction Films @ The SSC Library: Fall 2015 Schedule:

Friday, September 11, 2015: *12 Monkeys* (2009): Cole (Bruce Willis) is sent back in time to save the human race from a deadly virus that has forced mankind into dank underground communities in the future. Along his travels, he encounters a psychiatrist (Madeleine Stowe) and a mental patient, brilliantly portrayed by Brad Pitt, who may hold the key to the mysterious rogue group, the Army of the 12 Monkeys, thought to be responsible for unleashing the killer disease. Believing he can obtain a pure virus sample in order to find a cure in the future, he is met with one riddle after another that puts him in a race with time. This sci-fi masterpiece from the genius mind of Terry Gilliam is a modern-day classic. MPAA Rating: R. Run Time: 130 minutes. Time: 7:00 – 8:30 p.m.

Friday, October 9, 2015: *Back To The Future* (1985): From the Academy Award-winning filmmakers Steven Spielberg and Robert Zemeckis comes *Back to the Future* - the original, groundbreaking adventure that sparked one of the most successful trilogies ever. When teenager Marty McFly (Michael J. Fox) is blasted to 1955 in the DeLorean time machine created by the eccentric Doc Brown (Christopher Lloyd), he finds himself mixed up in a time-shattering chain reaction that could vaporize his future - and leave him trapped in the past. Powered by innovative special effects, unforgettable songs and non-stop action, *Back to the Future* is an unrivaled adventure that stands the test of time! MPAA Rating: PG. Run Time: 116 minutes. Time: 7:00 – 8:30 p.m.

Friday, November 13, 2015: *The 13th Floor* (1999): The barriers that separate fantasy from reality are shattered in this stylish, mind-jarring thriller, where two parallel worlds collide in a paroxysm of deception, madness and murder. On the thirteenth floor of a corporate tower, high-tech visionary Douglas Hall (Craig Bierko, *The Long Kiss Goodnight*) and his high-strung colleague, Whitney (Vincent D'Onofrio, *Men In Black*), have opened the door to an amazing virtual world - circa 1937 Los Angeles. But when the powerful leader of their secret project (Armin Mueller-Stahl, *Shine*, *The X-Files*) is discovered slashed to death, Hall himself becomes the prime suspect. Arriving from Paris is the beautiful and mysterious Jane Fuller (Gretchen Mol, *Rounders*), claiming to be the murder victim's daughter. Her instant, magnetic attraction to Hall only further blurs the lines of what is real. Is he the killer? Is the inscrutable Jane somehow connected? To find the answers, Hall must cross the boundaries into the simulated reality he has helped create. MPAA Rating: R.
Run Time: 100 minutes. Time: 7:00 – 8:30 p.m.

Friday, December 11, 2015: *Renaissance* (2006): RENAISSANCE is a breakthrough sci-fi thriller for a new millennium. Dare to enter a bold vision of the future in the tradition of *BLADE RUNNER* and *SIN CITY* - drenched with state-of-the-art animation and a gripping story. It's 2054 Paris and the city lives in the shadow of corporate giant, Avalon, which sells the irresistible promise of "ageless beauty." The sudden kidnapping of a gifted young scientist draws a tough-as-nails cop into a twisted underworld of corporate espionage, genetic research and organized crime. Featuring the stellar voice talents of Daniel Craig, Jonathan Pryce and Ian Holm. MPAA Rating: R. Run Time: 110 minutes.
Time: 7:00 – 8:30 p.m.

Library doors are open from 6:45 - 7:00 p.m. to admit film goers.

Refreshments will be provided.
